

# Cal Heights Kids Parent's Page

Vol. 1 Issue 3

September 24, 2017

The goal of this little publication is simple. We hope that the joy and learning of Sunday morning extends into the week. In this and every issue you will find questions to help prompt discussion of that week's learning as well as fun and games centered around the topics and themes of the week.

God Bless you and your Family as you explore the joy of the Scriptures,

Jesse Letourneau

Director of Ministries to Children and Youth
